Introduction

Hello, and welcome to the 3rd Seren Roberts Memorial Trophy help by Cardiff and Newport SANDS here at Bryn Meadows Golf Hotel and Spa

I would like to thank you greatly for your participation in today's event.

SANDS is an organisation which can offer you support when your baby dies during pregnancy or after birth.

The death of a baby is a devastating experience. The effects of grief can be overwhelming and parents, their families and friends can be left feeling dazed, disorientated, isolated and exhausted.

At SANDS there are people who understand what it's like because many of us have been through this experience ourselves, and we are here to help offer support and information when you need it.

As well as supporting mothers and fathers, we are also able to help other members of your family, especially grandparents and other children. Many people may be touched by your baby's death, including friends and health professionals, and all are welcome to contact us for support and information.

At Cardiff and Newport SANDS, we hold monthly support meetings and help fund support packs and memory boxes for bereaved parents at the University Hospital of Wales, Cardiff, and the Royal Gwent Hospital, Newport. Last years' event funded a Bereavement Suite at The Royal Gwent Hospital, and paid for a cold-cot, enabling parents to stay with their babies that little bit longer. Thank you for all your support.

Event History

The Seren Roberts Memorial Trophy was 1st held in 2011. The event is organised by Gwyn Roberts, in memory of his daughter Seren, who was stillborn in November 2005. Gwyn has always been a keen golfer, and saw the idea of organising a tournament in his daughter's memory as a great opportunity to help raise much needed funds for SANDS whilst being able to further publicise the work of the group. Over the last 2 years, the event has raised over £8,000 for the charity, and has now become Cardiff and Newport SAND's main fundraising event of the year. All prizes for the golf competition, auctions lots and raffle items are donated, and all of us at Cardiff and Newport SANDS are eternally grateful for all contributions.

5th Hole - £1,500 Omega watch of your choice

7th Hole - £1,000 Kuoni holiday voucher

13th Hole - £750 voucher for your pro shop

When you score a hole-in-one at ANY of our Hole-In-One Events you'll automatically be invited to attend our Major Event. You'll then have the chance to win £1million

The cost to enter this separate hole-in-one competition is £5. The entry fee will be collected on the day prior to commencement of your round.

We also are delighted to have the support of Club-Clean South Wales, who for a voluntary donation will get your clubs looking like new before and/or after your round!

Our British built first-class equipment uses ultrasonic technology to clean clubs and restore grip tackiness.

Our machines contain water, which has been treated with a special solution of water-softening, anti-rust and disinfecting agents. This water is then heated to around 36 degrees and that's when the magic happens.

Ultrasonic transducers in the machine vibrate at 60,000 cycles/second. This movement is transmitted through the water in sound waves, causing tiny bubbles to form on the club and grip. The bubbles then implode, during a process called cavitation, which blasts the dirt off your equipment.

The whole process is over in a matter of minutes, leaving your clubs clean and revitalised.
